Dear Sir/Madam:

Recently, Académie SAINT-ANDRÉ Academy broke ground to launch construction of its new K-9 school in the Dansereau Meadows neighborhood of Beaumont. With a new school comes the need for a new playground. Although an essential outdoor component, playgrounds are not included in the government's school capital construction funding.

The parent community at Académie SAINT-ANDRÉ Academy has taken on the task of raising the approximate \$350,000 needed to build the new playground. In addition to financial support from the public, we will be applying for matching community grants. Our hope is to complete our fundraising by January 1, 2014. This will enable playground construction to be finished in time for the opening of our new school in September, 2014.

The new playground will be open to the children of Beaumont and be barrier-free, meaning it will accommodate all children regardless of their physical abilities. We look forward to sharing perspective designs with members of the community.

We are asking you (or your organization) to please consider giving cash or an in-kind donation to the Académie SAINT-ANDRÉ Academy Playground Project. Donations of any size are welcome but donations of \$50 or more will receive a tax receipt. If you would like to support us, please fill out the attached donor form and include it with your contribution. **Please make cheques out to St. Thomas Aquinas Catholic Schools.**

For more information or to discuss an in-kind donation, please contact us. More information is also on the school's website at <http://sa.starcatholic.ab.ca> Please know that your support is greatly appreciated and will be publicly recognized in a variety of ways.

Thank you for considering this request!
