**3.0 APPROVAL OF AGENDA**

Any additional items?

Approved as read

**4.0 OLD BUSINESS**

4.1 Crosswalk

-waiting for snow melt for work to begin

-you can't have an adult to direct traffic but we might be able to do patrols; it has to be kids through AMA, for example

-Curt's wife has experience in this area, so she could come to help us learn more about it

-only grade 4's or older are allowed to be patrols according to rules

-an EA could be out there coralling kids and assembling them till there's a group to send across (Teresa was mentioned as a parent who would possibly help us with that)

**5.0 NEW BUSINESS**

**5.1 Upcoming Events**

a) Spring Dance - ~~June 8th~~

-change the date for this event since Carnival has been set

-move to 6:00-8:00pm

- this event is easy to run
- sign up genius for chips and cookies etc

### **b) Spring Carnival-June 27th**

- Karla met with Joe who agreed that keeping it indoors was fine; we can use lobby and space for free if on a weekday
- time for it to run? Last day of school **Wednesday June 27** as a full day? Try this for this year **4pm to 8pm**
- volunteers? Could this be an issue? Sign up genius will be set up asap to move this forward
- food? Pizza can be served and sold; how much to charge? \$5.00 for pop, pizza, and a bag of chips was price last year
- shorten the numbers of volunteers and length of shifts (bouncy castles, concession...sign up genius needs to be aligned this way); 3 people is the ideal number for concession; Nola offered to act as volunteer coordinator for this event to ensure that volunteers go where they were assigned (the place for which they signed up) to check them off
- tweak last year sign up genius to reflect these ideas

### **5.2 Hoodies for parent council**

- tried on and put your size on the page
- let Curt know the size and he will get them embroidered
- finding a seamstress to do the work
- we can decide on the logos
- waist at back or sleeve?
- school logo
- navy with the sheen
- order for Rebecca and Gina (she is our friend(s))

### **5.3 School clothing**

- for the business to put this into SchoolCash online would be a hige amount of work just based on how it has to be set up
- also we need someone to store it for those who want to try it on
- Nola will set up the online store and Curt and Nola will decide on the logos and what goes on it

### **5.4 Change meeting date for May meeting**

- currently on May 16
- Karla requests that we change the meeting date to the 9th of May
- approved to change
- Curt will be sure to let Shelly know to change this on newsletters and website
