3.0 REVIEW APPROVAL OF AGENDA

Any additional items?

Approved as read

4.0 OLD BUSINESS

4.1 Crosswalk-complete after 5 years of hard work; working well for the school and the community is giving us positive feedback; Curt has trained all the students on correct usage and we can safely say that all the kids know how to use it; bylaw has been out giving tickets for those parking too close so the community awareness and support is there

-Questions from Susan S:

-why don't we have a bright yellow walk sign like all others in town? We have only white person walk sign (these issues might be best addressed through town council)

-why no flashing lights either? The way it is designed, kids are needing to walk out quite a ways before the 3D aspect is evident

-would it be possible to get the cones again? Even during peak hours?

-Other schools (Beau Meadow) got a new cross walk also which has the lights yet ours does not (frustration with inconsistency)

4.2 Microwaves in school - Susan B.

-Alison, Susan B. and Karla will gather more information on other schools comparable in size about their use of microwaves in school to bring back to Council for their review at next meeting

-Carnaval (in school event again)?

-end of year dance

6.0 REPORTS

6.1 School Administration Report

-Welcome Michelle Symes as new Asst. Principal

-enrollment 397 students (2 new students in end of Sept)

-thanks for crosswalk

-Curt has called multiple times regarding playground repairs but hasn't had a return phone call yet (hope is to get it dealt with before the winter since that will only make the deterioration worse)-money is there from the building of the playground left for repairs

- School Resource Officer Christine is new
- October will be Welcoming Mass

adjourned 7:46pm

next meeting October 16
